**Objectives** – 1. To increase the field knowledge.  
2. To motivate the students  
3. To collect class work material  
**Beneficiary** - 22 students

**Brief Summary-** Botany department, according to Sant Gadge Baba Amravati University, Amravati syllabus, organized educational tour on 14-10-2022 for the B.Sc I, II and III yr students at Brahmasakti forest area.

Various types of flora was introduced to students with their characteristics.

The main aim of educational visit was to enhance the knowledge of students and to attract more students towards the subject. Students were quite enthusiastic about the tour discussing various things about the species they found here.

Students could collect the class work material and firsthand of flora of Melghat. Total 22 students took benefit of tour.
