

Arts, Science and Commerce College, Chikhaldara
Botany Department
Conservation of Aromatic and Medicinal Plants
Academic Year 2022-23

Melghat Forest is tropical Dry Deciduous type, the soil and climate of Chikhaldara plateau is suitable for medicinal plants and aromatic plants. The objectives of medicinal plants conservation are :

1. Identification of Plant
2. To know the current status of plants
3. To conserve the plants in ex situ manner
4. Propagation of plants

Plants Statistics:

Aromatic Plants : 05

Medicinal plants : 51 genera

Grasses : 05

Aquatic : 02

Tuberous : 10

Rhizomatus : 05

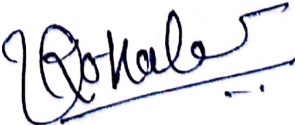

Others : 10

Special Remark :

The medicinal plants of East Melghat Forest are much more important from conservation and propagation point.

Medicinal and aromatic plants are classified, propagated . The information of the plants is printed in the form of text for college students. The Sant gadge Baba Amravati University affiliated Colleges students of Botany visited to observe and study the plants .Also students get the practical demonstration and information of medicinal plants to the science students of the our college students and and Botany students of the other colleges and Universities. We also develop Medicinal plants nursery for the Botany students.

In Collaboration with
Sampurn Bamboo Kendra Lawada, Post.DuniTq. Dharani Dist. Amaravti
Add on Course 'Rakhi Making & Bamboo Handicraft'

Report

Name of the program : Add on Course 'Rakhi Making & Bamboo Handicraft'
Duration of the program : 30 hr (10-04-2023 to 19-04-2023)
Beneficiary : 20 Students
Objectives of programme :

1. To conduct skill development training programmes leading to self/ wage employment.
2. Students came to know the opportunities and prospects of learning the bamboo craft making
3. Students came to know about the demand of such crafts in the market
4. Students learn to use various instruments required for the craft making, and manufactured various beautiful crafts
5. Students use knowledge and will make use for the self-employment.

We run colleges in hilly and tribal area. Most of the students are from very poor economic backgrounds. Many students leave their studies midway due to financial problems. EDIIL Cell is working in the field of self-employment. Through the EDIIL Cell, we provide them with an opportunity for the better future. We have planned commercial types of handicrafts. We have provided all the facilities and kits through which the students can make bamboo articles. These handicrafts are sold through Various outlets. This will give some financial help to the students and they can earn while learn. EDIIL Cell in association with Sampurna Bamboo Kendr, Lavada, Distt. Amaravati.(an NGO working in this area for tribal) and department of commerce, ASCC, Chikhaldara arrange training workshop on 'Bamboo Craft Manufacturing'. The training workshop is organized under the theme "Earn while learn". 'Earn while learn' is the motive behind the sale. many students Due to financial problems, are unable to concentrate on studies. This type of cell will help the students to continue their higher education with full strength. The students are taught to use various tools fluently and try making different bamboo articles.

Entrepreneurship Development Cell in collaboration with Sampurna Bamboo Kendra, Lawada, Distt. Amravati (A NGO working in this field for Tribal) and Department of Commerce, ASCC had arranged ten day "Add on Course 'Rakhi Making & Bamboo Handicraft'" from 10-04-2023 to 19-04-2023. This training workshop was organized under the theme of "Earn While Learn". Mr. Shivcharan Kottewar, Convener of EDIIL Cell, all the members of Cell, Mr. Ganesh Kanase, Sampurna Bamboo Kendra, Lawada, the persons from Kendra and especially Mr. Kshitij Shah, Dept. of Food Science, worked hard for the success of this training workshop.

The trainers from Sampurna Bamboo Kendra Mr. Lokesh Bhandhiya started the workshop. The bamboo pieces, all the require instruments were brought with the help of Kendra. Every day the participants were trained by the instructors from 11.00 am to 5.00 pm. Each day of training was used to start and end with the prayer of motivation. The students learned to use the various instruments fluently and create many crafts from bamboo. During the 10 days of training the students.

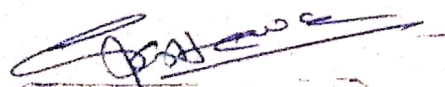

OUTPUT OF THE WORKSHOP:

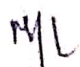

- It was a good interactive workshop
- Students came to know the opportunities and prospects of learning the bamboo craft making
- They came to know about the demand of such crafts in the market
- They learn to use various instruments required for the craft making, and manufactured various beautiful crafts
- Students got the satisfaction and happiness of making something new
- Many students said that they will use this knowledge and will make use for the self employment

NEED OF SUCH TYPES OF WORKSHOPS

As we run the college in hilly and tribal area, pursuing a degree is not enough. Maximum students are from very poor economical background. Many students leave their education in middle due to economic problems.

Entrepreneurship Development & Industry Institute linkage Cell is working in the field of self employment. Such types of workshop can provide an opportunity to the student for their better future. EDIIL cell is planning for the commercial production of these types of lamps. We will provide all the facilities and kits to the students and they will manufacture the lamps. These lamps will be purchased by the cell and will be sold through its outlets. This will provide some financial help to the students and they can earn while learn

Research Club
Report
2022-23

Research Club organized a **meeting cum workshop on 28/11/ 2023 on Research Competition (Avishkar)** organized by the university every year. To aware and guide the students about the competition and to encourage them to participate in it was the objective of the meeting.

A two days **Guest Lecture Series** was organized on 02 & 03/12/ 2022. On first day, the speaker was Prof. Dr. Swati Sherekar. She is Director, Innovation, Incubation and Linkage Cell, Sant Gadge Baba Amravati University, Amravati. The topic of the lecture was 'Innovation and Startup'. On second day the speaker was Prof. Dr. S.P. Chavan, Head, Department of Political Science, Arts, Science and Commerce College, Chikhaldara. The topic of the lecture was 'Research Methods and Techniques'.

Research Club organized a **guest lecture on 28/02/2023**. The objective of programme was to commemorate **National Science Day**. The speaker was Dr.D.M. Ratnaparkhi, Associate Professor, Smt. Narsamma Arts, Commerce and Science College, Amravati. The topic of the lecture was 'Global Science for Global Wellbeing'

A **model competition** was organized for the students of Science faculty on 21/04/ 2023. Total eleven entries were received including seventeen participants. The top three entries were felicitated by mementos and certificates. Certificates were given to all the participants. To inculcate research culture amongst the students was the objective of the competition.

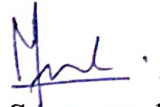

Research Club organized a **poster competition** on 21/04/ 2023 for the students of Arts and Commerce faculties. The theme was 'Science for Well-being'. Total six entries were received. The top three entries were felicitated by mementos and certificates. Certificates were given to all the participants. To inculcate research culture amongst the students was the objective of the competition.

On June 23/06/2023, the Research Club hosted a **workshop on research methodology**. The program's objective was to encourage teachers and students to conduct research. The programme was available online. Dr. Keshav M. Walke, a professor at the Matru Seva Sangh Institute of Social Work in Nagpur, spoke at the event. How to Prepare a Research Proposal? was the talk's theme.

The Research Club held a workshop on Intellectual Property Rights (IPR) on 25/06/2023. It was the goal of the programme to educate teachers and students about IPR. The programme was available online. IPR agent Prof. Rushikesh G. Lavhale delivered a speech during the gathering. The talk's main topic was "Basics of IPR."

Subject: Request for Permission to Organize Science Aptitude Test

Dear Sir,

I hope this letter finds you well. I am writing to seek your permission to organize Science Aptitude Test on 26.03.2023 at 5.00 to 6.00 pm for our college students.

The objectives of Science Aptitude Test are -

- To present science in interesting way before students.
- To increase interest of students of Arts and Commerce faculty in Science

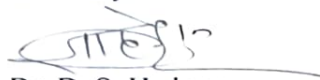

We believe it will contribute significantly to the overall development and engagement of our college community.

We assure you that all necessary arrangements and precautions will be taken to ensure the smooth conduct of the event without causing any disturbance to regular college activities.

We kindly request your approval for this initiative and would be grateful for any guidance or conditions you may have.

Thank you for considering our request. We look forward to your positive response.

Sincerely,

Dr. D. S. Hedao
Coordinator,
Career Guidance Cell

ESSAY TEST

Time: 01 Hour

Maximum Marks:20

Note: The medium of answer may be in Hindi, English or Marathi

Q: Write essay on following topics given in the form of text and picture.

a) Title: India's Foreign Policy: In present context

(10 Marks)

INDIA'S FOREIGN POLICY: IN PRESENT CONTEXT

with 75 years of independence, the country has a greater sense of confidence and optimism in articulating an "India First" foreign policy. India decides for itself, and its independent foreign policy cannot be subject to intimidation.

WITH ONE-FIFTH OF THE WORLD'S POPULATION

India has the right to have its own side to weigh its own interests.

It is certainly a basic tenet of international relations that national interest are paramount and India too like other nations has pursued its interest when it comes to foreign and national security policies.

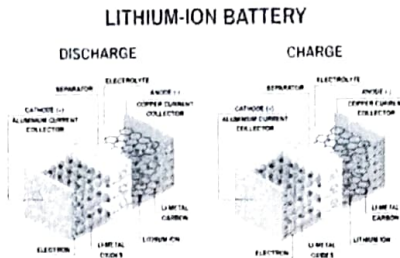

REALISTIC DIPLOMACY: Today's self confident India has new voice in global firmament, rooted in its domestic realistic and civilizational ethos. as well as firm in the pursuit its vital interest. As the Indian foreign minister remarked at Russian dialogue "its better to engage with the world on the basis of "who we are" rather than try and please the world. India is confident about its identity and priorities. the world will engage with India on its terms.

Economic Ties: Since India economic interdependence with the rest of world deepens it has become more obsevant of market for its products. source of raw materials, and potential recipients of its expanding foreign aid.

Intervention over interference: India does not believe in interference in the internal affairs of other countries. India does not believe in ~~intervention~~ hesitate in quick and timely intervention.

b)

LITHIUM-ION BATTERY

Lithium ion battery are used everywhere from lighting up our mobile device to powering our electric cars that we drive. Lithium-ion battery are the best batteries that we have this day. These batteries will be the best batteries that we will have for a long time because of their efficiencies. These batteries come in multiple shape and size so they can be used in a variety of devices. Lithium-ion battery are the most efficient batteries made and their benefits for outweigh any safety concerns.

Lithium-ion battery are everywhere today in our phone hand-held electric drills computers and much more. We have achieved about 90% of the total capacity of these batteries also have lost of protection on them for example thermal fuse.

Subject: Request for Permission to Organize Guest Lecture Series

Dear Sir,

I hope this letter finds you well. I am writing to seek your permission to organize Guest Lecture Series during the period 24.04.2023 to 25.04.2023 at our esteemed college premises.

Guest Lecture Series typically aim to equip students with information about various entrance examinations. We believe it will contribute significantly to the overall development and engagement of our college community.

We assure you that all necessary arrangements and precautions will be taken to ensure the smooth conduct of the event without causing any disturbance to regular college activities.

We kindly request your approval for this initiative and would be grateful for any guidance or conditions you may have.

Thank you for considering our request. We look forward to your positive response.

Sincerely,

Dr. D. S. Hedao

Guest Lecture Series
(2022-2023)

REPORT

Guest lecture series is organized by the Career Guidance Cell of the college.

Objective: To inform students about various entrance examinations

Theme: IIT-JAM Examination

Duration: 24.04.2023 to 25.04.2023

Time: 5.30 to 6.30 PM

No. of Participants: 1. 46 on 24.04.2023
2. 49 on 25.04.2023

Speakers: 1. Prof. R.P. Rahate on 24.04.2023
2. Dr. V.S. Mangle on 25.04.2023

Topics Covered: Different Entrance Examinations
IIT-JAM Examination
Admission Process
Books list for different subjects

Documents: Notice for Staff & Students,
Attendance of the Students &
Photographs

Summary: The guest lecture series is organised by Career Guidance Cell of the college. Speakers are selected as per theme of the guest lecture series. Both speakers delivered their talk very well. Students asked their doubts, questions to which speakers have given answers in satisfactory way.
