**A Report**  
**Conservation of Medicinal Plants**  
**2017-2022**

**Objective :-** To Conserve Medicinal Plants

**Introduction :**

Ethnobotany is the study of how people of a particular culture and region make use of indigenous (native) plants. Ethnobotany is a scientific discipline that comprises the study of human interaction with plants. It mainly focuses on the study of a region's plants along with the practical knowledge of those plants with the help of the traditional knowledge of local people and their culture. Edward Palmer - Father of Ethnobotany. Ethnobotany studies plants and their relationship to humans. The medical ethnobotany of India is the study of Indian medicinal plants and their traditional uses. Plants have been used in the Indian subcontinent for treatment of disease and health maintenance for thousands of years, and remain important staples of health and folk medicine for millions.

**Conservation of Medicinal Plants :**

Arts , Science and Commerce College Chikhaldara , Department of Botany runs Certificate Course in Ethnobotany for the students of Botany from the academic year 2013-14 . Under the title of this course the department propagate some local indigenous medicinal plants distributed in Melghat Forest , some important plants conserved are.

Propogation, conservation and sharing knowledge is very important. We have developed a ethnobotany garden at Alladoh College campus. Students studied propogation and conservation practically.

#### Conservation Practices:

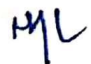

- Selection of medicinal plants from Melghat forest area.
- Utility of medicinal plants by tribes of melghat – Korku , Gond , Bhilla.
- Propagation of selected medicinal as per soil suitability in college campus.
- Seeds collection propagation.
- Vegetative propagation
- Nomenclature and uses of plants display board.
- List of medicinal plants prepared with uses.

#### Applications / Beneficiary of this Medicinal ( Ethnobotanical ) Garden :

- ✓ Students of Apiculture , Botany , Environmental Science .
- ✓ Students of Ayurveda.
- ✓ Forest Department field staff.
- ✓ Students of S. G. B. Amravati University Amravati –U. G. and P. G.

## Entrepreneurship Development & Industry Institute linkage Cell

Comprehensive Report (2017 – 2018 to 2021-2022)

Objectives of programme :

1. To conduct skill development training programmes leading to self/ wage employment.
2. Students came to know the opportunities and prospects of learning the bamboo craft making
3. Students came to know about the demand of such crafts in the market
4. Students learn to use various instruments required for the craft making, and manufactured various beautiful crafts
5. Students use knowledge and will make use for the self employment.

We run colleges in hilly and tribal area. Most of the students are from very poor economic backgrounds. Many students leave their studies midway due to financial problems. EDIIL Cell is working in the field of self-employment. Through the EDIIL Cell, we provide them with an opportunity for the better future. We have planned commercial types of handicrafts. We have provided all the facilities and kits through which the students can make bamboo articles. These handicrafts are sold through Various outlets. This will give some financial help to the students and they can earn while learn. EDIIL Cell in association with Sampoorna Bamboo Kendr, Lavada, Distt. Amaravati. (an NGO working in this area for tribal) and department of commerce, ASCC, Chikhaldara arrange training workshop on 'Bamboo Craft Manufacturing'. The training workshop is organized under the theme "Earn while learn". 'Earn while learn' is the motive behind the sale. many students Due to financial problems, are unable to concentrate on studies. This type of cell will help the students to continue their higher education with full strength. The students are taught to use various tools fluently and try making different bamboo articles.

### **OUTPUT OF THE WORKSHOP:**

- It was a good interactive workshop
- Students came to know the opportunities and prospects of learning the bamboo craft making
- They came to know about the demand of such crafts in the market
- They learn to use various instruments required for the craft making, and manufactured various beautiful crafts
- Students got the satisfaction and happiness of making something new
- Many students said that they will use this knowledge and will make use for the self employment

## NEED OF SUCH TYPES OF WORKSHOPS

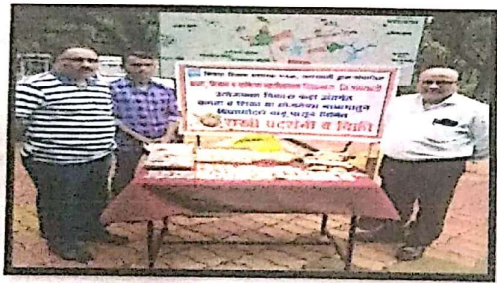

As we run the college in hilly and tribal area, pursuing a degree is not enough. Maximum students are from very poor economical background. Many students leave their education in middle due to economic problems.

Entrepreneurship Development & Industry Institute linkage Cell is working in the field of self employment. Such types of workshop can provide an opportunity to the student for their better future. EDIIL cell is planning for the commercial production of these types of lamps. We will provide all the facilities and kits to the students and they will manufacture the lamps. These lamps will be purchased by the cell and will be sold through its outlets. This will provide some financial help to the students and they can earn while learn

**Report of Consultancy for NAAC Preparation**

**Name of the Activity** : NAAC consultancy to Bharatiya Mahavidyalaya, Amravati

**Objectives of Consultancy** :

1. Provide guidance for preparation of NAAC to other institutes
2. Help to improve the academic and administrative performance of the institution.
3. Provide guidance for quality initiatives
4. Revenue generation for institute through consultancy

**Date of Consultancy** : During academic session 2018-19

**Venue of the Consultancy** : Bharatiya Mahavidyalaya, Amravati

**Consultancy Provider** : Dr. Sachin G. Mahajan

**Revenue Generated** : 15,000/- (To college account)

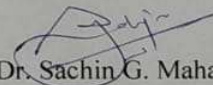

**Number of participants** : Teaching, Non-teaching staff and all stake holders of the institute

**Brief summary of the Consultancy :**

On the request of other institutes, we always try to help the institutes by providing guidance or by giving expert lecture on various subjects or aspects. The new assessment framework of NAAC increases the demand of guidance in data management, filing, NACC process, etc. We look after the demand as an opportunity and started new activity entitled "Consultancy for NAAC preparation" with the objectives mentioned above.

**Output** :

1. Clear ideas of other institute about the NAAC guidelines and solve problems while preparing and facing NAAC
2. We our self get updated about NAAC guidelines and get various innovative ideas from other institutes naturally
3. Earned revenue for institute from the consultancy
