Information About Colleges:

❖ Arts, Science and Commerce College, Chikhaldara

Sipna Shikshan Prasarak Mandal, Amravati is established with the specific goals and mission of overall development of the people in Melghat, a tribal, remote, hilly and backward region in Amravati and Akola district of Maharashtra state. Melghat comprises of Chikhaldara and Dharni tahsil and part of Achalpur, Anjangaon Surji and Akot tahsil. Melghat is hilly terrain at the northern extreme of the Amravati district of Maharashtra. Melghat means 'meeting of the ghats', which describes the area as a large tract of unending hills and ravines scarred by jagged cliffs and steep climbs. It is renowned for 'Melghat Tiger Project' and 'Gugamal National Park' worldwide. Presently, the total area of the reserve is around

1677km². The forest is tropical dry deciduous in nature, dominated by teak (Tectonagrandis). Chikhaldara is a Hill Station, famous tourist destination and a municipal council in Melghat. Chikhaldara is the sole hill station known as the ‘Nandanvan of Vidarbha’, situated at an altitude of 1118 mtrs with Vairat point at 1188 mtrs. Also, it has the added dimension of being the only coffee-growing area in Maharashtra. The place has a rich variety of flora and fauna with the nature’s beautiful architecture spread all over the region.

Arts, Science and Commerce College, Chikhadara, Distt.: Amravati came into existence in 1996 with an intention to impart higher education to the tribal at their very door steps and ensure their well being, growth and safety. The college is assessed and accredited by NAAC, Bengaluru with B++ grade (CGPA2.77) in 3rd NAAC cycle. The college offers degree courses like B. A., B. Sc., B. Entrepreneurship Development Cell in collaboration with Sampurna Bamboo Kendra, Lawada, Distt. Amravati (A NGO working in this field for Tribal) and Department of Commerce, ASSC has arranged **Add on Course on Bamboo Art & Craft** from 13-05-2022 to 20-05-2022. This training workshop was organized under the theme of "Earn While Learn".

INAUGURAL FUNCTION

The inaugural function started at 11.00 am on 13-05-2022. Honorable Principal of college, Dr. Rajesh. S. Jaipurkar, presided over the ceremony. Mr. Ganesh Kanase, convener of Kendra, was on the dais. Mr. Shivcharan L. Kottewar compered the program.

The function started with lighting the lamp and 'Poojan' of Bharat Mata & Gadge Baba images. All the dignitaries on the dais were felicitated with bamboo crafts and bouquets.

In the beginning S. L. Kottewar, Co-Ordinator of EDIIL Cell gave introductory speech in which he told about the cell, the motive behind the establishment of the Cell and provided information about the major programs conducted by the Cell since its establishment. He also justified the need of establishment of such cells in college. He elaborated the term 'Earn while Learn' and the motive behind this program. Many students are unable to focus on study due to economic problems. These types of programs will help the students to continue their higher education with full force.

Mr. Ganesh Kanase told the story of Sampurna Bamboo Kedra. He summarized their work and the objectives of their organization. He also requested the students to take part in this training with full enthusiasm and explained the scope of such training.

To sum up, the chairperson of the inaugural function Dr. R. S. Jaipurkar delivered his presidential speech. He again gave assurance about any kind of help from the institution, and prayed for the success. Mr. Ashish Kanhu, faculty of commerce from ASCC presented the vote of thanks.

WORKSHOP

After tea break, the trainers from Sampurna Bamboo Kendra Mr. Sushil Dhurve & Mr. Gorelal Ahiriya, started the workshop. The bamboo pieces, all the require instruments were brought with the help of Kendra.

Every day the participants were trained by the instructors from 11.00 am to 5.00 pm. Each day of training was used to start and end with the prayer of motivation. The students learned to use the various instruments fluently and created many crafts from bamboo.

VALEDICTORY FUNCTION

The Valedictory function started at 4.00 pm on 20-05-2022. Dr. R. S. Jaipurkar, Principal, Mr. Ganesh Kanase, convener of Kedra, Mr. Shivcharan Kottewar were on the dias. Mr. P. M. Kute compeered the program.

The function started with lighting the lamp and 'Poojan' of Bharat Mata & Gadge Baba images. All the dignitaries on the dias and the trainers were felicitated with bouquets.

In the beginning Mr. Kottewar, gave introductory speech in which he told about the 'Earn and Learn' scheme. He justified the need of establishment of such scheme in the college. He highlighted the fact that many students were unable to focus on study due to economic problems. He assured that the program could help the students in earning while learning which would help them to continue higher education with full force. Mr. P. M. Kute, member of ED Cell presented the vote of thanks. Shivcharan Kottewar, Dr. D. S. Hedao, Dr. K. N. Shaha, Dr. P. M. Kute, Dr. N. J. Surayvanshi contributed for the success of the workshop. About 20 students registered for this workshop and completed the training successfully.

OUTPUT OF THE WORKSHOP:

- It was a fully interactive workshop
- Students came to know the opportunities and prospects of learning the bamboo craft making
- They came to know about the demand of such crafts in the market

- They learned to use various instruments required for the craft making, and manufactured various beautiful crafts
- Students could feel the satisfaction and happiness through making something new
- Many students said that they will use this knowledge to seek the self employment

Mr. Shivcharan L Kottewar, Co-Ordinator of EDIIL Cell, Mr. Ganesh Kanase, Mr. Sushil Dhurve & Mr. Gorelal Ahiriya, Sampurna Bamboo Kendra, Lawada Tq. Dharani Dist. Amaravati all the members of Cell, faculty members of commerce department and the trainer from Kendra and especially Mr. Shivcharan Kottewar, Dept. of Comm. worked hard for the success of this training workshop.

NEED OF SUCH TYPES OF WORKSHOPS

As the college runs in hilly and tribal area, pursuing a degree is not enough for students. Maximum students are from very poor economical background. Many students leave their education halfway due to economic problems.

Entrepreneurship Development Cell has been working in the field of self employment. Such types of workshop can provide an opportunity to the student for their better future. EDIIL cell is planning for the commercial production of these types of lamps. We wish to provide all the facilities and kits to the students so that they manufacture the lamps. These lamps will be purchased by the cell and will be sold through various outlets.

This will provide some financial help to the students and they can earn while learn.

CERTIFICATE COURSE IN YOGA AND MEDITATION

Dear students,

Greetings of the day!

Departments of physical education & Sports and IQAC, of Arts, Science And Commerce College, Chikhaldara, organizing **Certificate course in Yoga & Meditation** for the students of Arts, science and commerce college, Chikhaldara, Dist. Amravati. You are cordially requested to register your name & attend the course from 01st to 12th April 2022 at 7.30 am to 10.30 am, which will be conducted at tribal girl's hostel, Chikhaldara, kindly note, only 60 students will be allowed.

About The organizing College:

Arts, Science & Commerce College, Chikhaldara, Dist. Amravati:-

Sipna Shikshan Prasarak Mandal, Amravati is established with the specific goals and mission of overall development of the people in Melghat, a tribal, remote and backward region in Amravati district of Maharashtra state. Melghat comprising of two tehsil places (Chikhaldara and Dharni) is hilly terrain at the northern extreme of the Amravati district of Maharashtra. Melghat means 'meeting of the ghats', which describes the area as a large tract of unending hills and ravines scarred by jagged cliffs and steep climbs. It is renowned for 'Melghat Tiger Project' and 'Gugamal National Park' worldwide. Presently, the total area of the reserve is around 1677 km². The forest is tropical dry deciduous in nature, dominated by teak (Tectonagrandis). Chikhaldara is a Hill Station and a municipal council in Melghat. Chikhaldara is the sole hill resort in the region assumed to be the 'Nandanvan' of Vidharbha, is situated at an altitude of 1118 m with highest Vairat point 1188 m and has the added dimension of being the only coffee-growing area in Maharashtra. The place has a rich variety of flora and fauna with the nature's beautiful architecture spread all over the region. Arts, Science and Commerce College, Chikhadara, Dist.: Amravati came into existence in 1996 with an intention to impart higher education to the tribal at their very door step and ensure their well being, growth and safety. The college offers degree courses like B. A., B. Sc., B. Com with traditional and advanced subjects and M. Sc. (Environmental Science). Whereas in UG science stream there are innovative subjects like Petrochemical Science, Food Science, Apiculture, Industrial Chemistry and Environmental science. The college runs recognized research centers for the subjects Physics, Botany, Mathematics, Chemistry, Environmental Science, Marathi, Hindi, English, Political Science and Sociology. Besides this the college also runs various add-on and certificate courses. Department of physical education and sports is also one of the active department in the college, which has produced more than 175 meritorious color coats which includes International, Khelo India, Nationals, Ahwamedh, Krida Mahostava, West zone & All India Inter-University players.

About The Society And College:

Sipna Shikshan Prasarak Mandal, Amravati is established with the specific goals and mission of overall development of the people in Melghat, a tribal, remote, hilly and backward region in Amravati and Akola district of Maharashtra state. Melghat region comprises of Chikhaldara and Dharni tahsils and part of Achalpur, Anjangaon Surji and Akot tahsil. Melghat is hilly terrain at the northern extreme of the Amravati district of Maharashtra. Melghat means 'meeting of the ghats', which describes the area as a large tract of unending hills and ravines scarred by jagged cliffs and steep climbs. It is renowned for 'Melghat Tiger Project' and 'Gugamal National Park' worldwide. Presently, the total area of the reserve is around 1677 km². The forest is tropical dry deciduous in nature, dominated by teak (Tectonagrandis). Chikhaldara is a hill station, famous tourist destination and a municipal council in Melghat. Chikhaldara is known as the 'Nandanvan of Vidarbha'. Chikhaldara is situated at an altitude of 1118 mtrs with Vairat point at 1188 mtrs. Also, it has the added dimension of being the only coffee-growing area in Maharashtra. The place has a rich variety of flora and fauna with the nature's beautiful architecture spread all over the region.

Arts, Science and Commerce College, Chikhadara, Distt. Amravati came into existence in 1996 with an intention to impart higher education to the tribal at their very door steps and ensure

their well being, growth and safety. The college is assessed and accredited by NAAC, Bengaluru with B++ grade (CGPA 2.77) in 3rd NAAC cycle. The college offers degree courses like B. A., B. Sc., B. About 272 students registered for this workshop and completed the training successfully.

OUTPUT OF THE WORKSHOP:

- It was a good interactive workshop
- Students came to know the opportunities and prospects of learning the bamboo craft making
- They came to know about the demand of such crafts in the market
- They learn to use various instruments required for the craft making, and manufactured various beautiful crafts
- Students got the satisfaction and happiness of making something new
- Many students said that they will use this knowledge and will make use for the self employment.

NEED OF SUCH TYPES OF WORKSHOPS

A lots of students face a economical problem , pursuing a degree is not enough. Maximum students are from very poor economical background. Many students leave their education in middle due to economic problems.

Entrepreneurship Development Cell is working in the field of self employment. Such types of workshop can provide an opportunity to the student for their better future. ED cell is planning for the commercial production of these types of bamboo articals product . We will provide all the facilities and kits to the students and they will manufacture the bamboo articals product. These bamboo articals product will be purchased by the cell and will be sold through its outlets.

This will provide some financial help to the students and they can earn while learn.

ADD-ON COURSE ON
'ENGLISH COMMUNICATION SKILLS'

DATE : 12 TO 24 JULY 2021

The department of English, Arts, Science and Commerce College, Chikhaldara is organizing Add-on Course on “English Communication Skills” from 12 to 24 July 2021. The course aims at providing basics of English language, to achieve adequate linguistic skills, strengthen the process of listening, reading, writing and speaking, encourage students to speak in English with the help of grammar, acquaint them to make proper use of language to deal with the situations like public speaking, interviews, group discussions, boost their interest by reinforcing the basics of punctuation and help them to build their confidence. The students will be taught and trained to use English effectively in their day to day life. Most of the students from college are tribal, they shy away from English because of many linguistic difficulties. The course intends to wipe out the fear of English from their minds and promote them to acquire language skills and face the challenges in the modern world.

About the College :

Sipna Shikshan Prasarak Mandal, Amravati is established with the specific goals and mission of overall development of the people in Melghat, a tribal, remote, hilly and backward region in Amravati and Akola district of Maharashtra state. Melghat comprises of Chikhaldara

and Dharni tahsil and part of Achalpur, Anjangaon Surji and Akot tahsil. Melghat is hilly terrain at the northern extreme of the Amravati district of Maharashtra. Melghat means 'meeting of the ghats', which describes the area as a large tract of unending hills and ravines scarred by jagged cliffs and steep climbs. It is renowned for 'Melghat Tiger Project' and 'Gugamal National Park' worldwide. Presently, the total area of the reserve is around 1677 km². The forest is tropical dry deciduous in nature, dominated by teak (*Tectonagrandis*). Chikhaldara is a Hill Station, famous tourist destination and a municipal council in Melghat. Chikhaldara is the sole hill station known as the 'Nandanvan of Vidarbha'. Chikhaldara is situated at an altitude of 1118 mtrs with Vairat point at 1188 mtrs. Also, it has the added dimension of being the only coffee-growing area in Maharashtra. The place has a rich variety of flora and fauna with the nature's beautiful architecture spread all over the region.

Arts, Science and Commerce College, Chikhadara, Distt.: Amravati came into existence in 1996 with an intention to impart higher education to the tribal at their very door steps and ensure their well being, growth and safety. The college is assessed and accredited by NAAC, Bengaluru with B++ grade (CGPA 2.77) in 3rd NAAC cycle.

The college offers degree courses like B. A., B. Sc., B. Com with traditional and advanced subjects and M. Sc. (Environmental Science). Whereas in UG science stream there are innovative subjects like Petrochemical Science, Food Science, Apiculture, Industrial Chemistry and Environmental Science. The college run recognized research centers for the subjects English, Physics, Botany, Mathematics, Chemistry, Environmental Science, Marathi, Hindi, Political Science and Sociology. Besides this, the college runs various add-on and certificate courses. Department of English is also one of the active departments in the college, which has been continuously working for overall development of the students of this Tribal region.

About The organizing College:

Arts, Science & Commerce College, Chikhaldara, Dist. Amravati:-

Sipna Shikshan Prasarak Mandal, Amravati is established with the specific goals and mission of overall development of the people in Melghat, a tribal, remote and backward region in Amravati district of Maharashtra state. Melghat comprising of two tehsil places (Chikhaldara and Dharni) is hilly terrain at the northern extreme of the Amravati district of Maharashtra. Melghat means 'meeting of the ghats', which describes the area as a large tract of unending hills and ravines scarred by jagged cliffs and steep climbs. It is renowned for 'Melghat Tiger Project' and 'Gugamal National Park' worldwide. Presently, the total area of the reserve is around 1677 Sq. km. The forest is tropical dry deciduous in nature, dominated by teak (Tectonagrandis). Chikhaldara is a hill Station and a municipal council in Melghat.

Department of Apiculture was established in 2010, with the aid of University Grants Commission, under Innovative scheme. Due to wide wild flora in Melghat, thousands of Apis dorsata bee colony reside in forest, hence scope of extraction of honey from these colonies. These resource can provide opportunities of self employment for local tribes. Scope for collection /extraction of wild honey, its , processing, packing and selling at local market is the way to boosts local economy.

By taking this scope in to account, the department is going to organizing such programme for the students of Apiculture.

Date of program : 20 / 03 /2019 to 28 / 03/ 2019

Objective of program :

- (01) Encourage boys and girls to play non expendable kho-kho regularly.
- (02) Boys and girls empowerment.
- (03) Give maximum knowledge of Kho-Kho.
- (04) Information of new rules and regulations & promotion of Kho-Kho.

Number of beneficiaries : 84 students

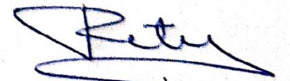

Brief summary of the program :

Physical education and sports department conducted Add on Course on Kho-Kho training from 20th to 28th march 2019 at Police kavyat maidan, Chikhaldara. Imparting detailed knowledge of Kho-Kho to the local students was prime objective of this workshop. Over all 84 local and college Students participated in the workshop. It was conducted continuously for ten days. Kho-Kho advance and basic techniques, Defensive-offensive Skills were taught to the participants. Students were informed about tactics and strategies of Kho-Kho game. Emphasis was given more on practical and theory as well.

Dr. V. R. Patil, officiating principal inaugurated and presided over the concluding ceremony of workshop. Dr. P. G. Gawande, Director of physical education and sports conducted the sessions along with some senior national and university color holder players. - Objectives –**
- 1) Propagation and Conservation of Medicinal Plants
 - 2) To aware the students of Botany about the Medicinal plants and their uses.
 - 3) Identification, enumeration of Medicinal Plants of Melghat Forest.

Number of Beneficiary – B.Sc I yr 20 students (Botany)

Brief Report – Ethnobotany is the branch of Botany in which medicinal plants use by the tribal people for the cure of their diseases are studied. Under the XI plan Certificate course in Ethnobotany is granted. In this course we selected 20 students of Botany department , we prepare tribal students for the course. In the course we studied how the plants are identified on morphological characters. Then practically how the plants are propagated are studied, after that students collected the seeds of the medicinal plants. In this way, Identification, propagation and collection of seeds are studied. At the last practical and theory exam of students are taken and then certificate are provided to the students.

Incharge – Dr. Ujwala Ramesh Kokate, Head Department of Botany.

Brief Report-

In academic year 2017-2018 department of Industrial Chemistry conducted the valueadded course on Phytochemistry of Medicinal Plants. Our college is located in forest area and most of naturally grown occurrence of medicinal value plants available. Department of Industrial Chemistry arranged the course which includes syllabus related to extraction and phytochemical screening of chemical compositions of plant extract and pharmacological analysis as antioxidant and antimicrobial activity of plant extract. The syllabus designed as per need of course which included five units. Unit wise

syllabus covered on the basis of theory and practical work. In theory course content Phytochemical Screening; Extraction methods and separation method; Antioxidant and Antibacterial analysis for analysis as medicinal value of different parts of plant extract. Practical conducted on the basis of theory. Duration of course total 30 hours distributed as per designed course. Course conducted duration every Sunday in the month of January-2018 and February-2018 five hours each (total 6 day). Certificate were given to the participants after successful completion of the course.

Brief Report:

Our college is located in hilly area in Chikhaldara town and Chikhaldara is one of the most beautiful hill stations. Under the program of Swachha Bharat Swastha Bharat (2014-2019) Department of chemistry runs the extension activity from academic session 2014 on *Plastic free Environment* with the aim to create awareness about plastic bag pollution among the students of the college and people of Chikhaldara and to make town of Chikhaldara entirely plastic free. With the aim above we started this activity as the name *Say no to plastic* bags by collecting pictures and photographs related to plastic pollution and make power point presentation and shown to our students. Then targeted more the number of students by showing presentation residing over hostel area in Chikhaldara. With the help of our students we collected old cloths by visiting door to door and stitched the cloth bags, also we received some cloth bags from one of NGO SAAD. Then we distributed this cloth bags among the tourist and also the people of Chikhaldara and insist them to use only cloth bags to avoid plastic pollution. We expand this activity in the year 2015 with the aim to make this beautiful city of Chikhaldara entirely plastic free and rename this activity as *plastic free environment*. We organized awareness rally in Chikhaldara on 2nd of October with the help of Nagar Parishad, also one of awareness program in padyatra and targeted more the number of people by means of power point presentation in annual *paryatan mahotsava*. We continued the same activity in the year 2016 and 2017 and targeted our students and aware them about plastic bags pollution and insist to use only cloth bags.

With the aim above and to create awareness about Environmental pollution and management, in academic year 2017-2018 department of Chemistry conducted the value-added course on Environmental Management for the students of Chemistry. The syllabus design as need of course include five units. Three units conducted on basis of theory and two units on practical work. Duration of course total 30 hours distributed as per designed course. After completion of theory and practical conducted theory and practical conducted examination on it. Successful completion of course distributed certificate to students.

COURSE DESCRIPTION

The Department of Chemistry decided to introduce value added course on Environmental Management. The environmental management program is designed to provide students with the tools and techniques to navigate the business aspects of environmental management. Students learn to assess and convey the business, ethical and legal information to those who make or are affected by the decisions that shape our natural resources and environment.

Course Contents

A) Concept and Principles of Environmental Management

Introduction, Principle and sustainable development, environmental problems, the concept of environment and environmental management

B) Policies and legal aspects of Environmental Management

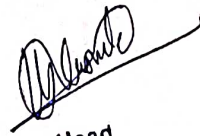

Environment governance in India since 1927, Environmental protection and fundamental rights, International obligation, public interest litigation, public participation

C) Development of Environmental ethics, ethical theories

Ethical theories applied to environment, environment ethics in spirituality, relationship between people and environment, ethical dilemma, environment ethics and population, environment and technology, challenges towards environment ethics

D) Waste Management

Introduction, Disposal methods, reduction methods, waste handling and transport, waste management concept education, and awareness, biomedical waste management, radioactive waste and toxic waste management.

FUTURE SCOPE

Upon completion of the program, students will be able to:

- Apply key terminology, facts, concepts, principles, historical perspectives and theories concerning environmental management and global sustainability toward solving environmental challenges.
- Align sustainability initiatives with organization mission and core values.
- Manage environmental-related risk from an organization's operation.
- Identify environmental hazards affecting air, water and soil quality.
- Assess environmental-related risk.
- Develop controls to reduce or eliminate risk.
- Employ project management processes and analytical tools to achieve a sustainable outcome to environmental problems.
- Conduct environmental research and communicate risk from an organization's operations.
- Research scientific, engineering, economic, and congressional information for statutory, regulatory and sustainable approaches to environmental problems.
- Prepare technical papers/briefings to communicate risk/ solutions to stakeholders.

COURSE DESCRIPTION

The Department of Physical Education and Sports decided to introduce value added course on Sports and fitness. It is well acknowledged that Sports and fitness is a multidimensional concept and is shaped by biological, physical, psychological, social, and cultural factors. Therefore fitness is a critical input for the overall development of the students. This subject area adopts a holistic definition of fitness within which sports and fitness contribute to the physical, social, emotional and mental aspects of a student's development.

The basic understanding is that fitness of students contributes to their healthy living in the future and also provides the base for performance in the chosen area of sports. The curriculum design for this area addresses the physical fitness needs of students at different levels. The importance of this subject to the overall development needs to be reinforced at the policy level, with administrators, other subject teachers in colleges, parents and children. For effective implementation of the subject of sports and fitness, the broad themes are included:

1. Physical fitness and Sports
2. Methods of Fitness.
3. Social Health and relationships with others
4. Physical fitness components.
5. leadership aspects.

Each of these themes has been addressed in a progressive and spiral manner keeping in view the preparedness of the students level of development. Certain broad principles have guided the process of syllabus formulation.

EDIIL Cell in association with Sampurna Bamboo Kendr, Lawada, Distt. Amaravati. (an NGO working in this area for tribal) and department of commerce, ASCC, Chikhaldara arrange Add on Course “Rakhi Making & Bamboo Craft Manufacturing” . The training workshop is organized under the theme “Earn while learn”. 'Earn while learn' is the motive behind the sale. many students Due to financial problems, are unable to concentrate on studies. This type of cell will help the students to continue their higher education with full strength. The students are taught to use various tools fluently and try making different bamboo articles. Entrepreneurship Development Cell in collaboration with Sampurna Bamboo Kendra, Lawada, Distt. Amravati (A NGO working in this field for Tribal) and Department of Commerce, ASCC had arranged training Add on Course “Rakhi Making & Bamboo Craft Manufacturing” “Bamboo Craft Manufacturing” from

28-07-2017 to 07-08-2017. This training workshop was organized under the theme of "Earn While Learn". Mr. Kshitij Shah, Convener of ED Cell, Mr. Sahdevji Shanware, Sampurna Bamboo Kendra, all the members of Cell, faculty members of commerce department and the persons from Kendra and especially Mr. Shivcharan Kottewar, Dept. of Commerce, worked hard for the success of this training workshop.

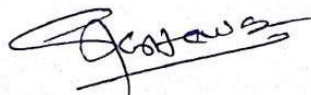

OUTPUT OF THE WORKSHOP:

- It was a good interactive workshop
- Students came to know the opportunities and prospects of learning the bamboo craft making
- They came to know about the demand of such crafts in the market
- They learn to use various instruments required for the craft making, and manufactured various beautiful crafts
- Students got the satisfaction and happiness of making something new
- Many students said that they will use this knowledge and will make use for the self employment

NEED OF SUCH TYPES OF WORKSHOPS

As we run the college in hilly and tribal area, pursuing a degree is not enough. Maximum students are from very poor economical background. Many students leave their education in middle due to economic problems.

Entrepreneurship Development & Industry Institute linkage Cell is working in the field of self employment. Such types of workshop can provide an opportunity to the student for their better future. EDIIL cell is planning for the commercial production of these types of lamps. We will provide all the facilities and kits to the students and they will manufacture the lamps. These lamps will be purchased by the cell and will be sold through its outlets. This will provide some financial help to the students and they can earn while learn
