To,

Mr. Dr. V.R. Patil ,

Sub: Employability Enhancement & Youth Livelihood Programme at your Institute.

Greetings!

We are pleased to introduce the Naandi Foundation – Mahindra Pride Classroom – Employability Enhancement Program. A unique CSR initiative - Naandi Foundation -MPC will train, skill and help place the final year students of your institute as part of their mission to skill and make employable the young men and women across the country **at absolutely no cost to you or the student.**

Please find below a brief on the project.

Naandi, which in Sanskrit means a new beginning, is one of the largest and fastest growing social sector organisations in India working to make poverty history by skilling and empowering the youth of India. **This is a CSR initiative of the Mahindra & Mahindra group of companies.**

Naandi set up its first Mahindra Pride School (MPS) in early 2007, in support of the Government mandate for affirmative action, to empower youth from socially disadvantaged sections of society by providing livelihood training, to enable them to gain employment based on their skills.

MPS has several modules that help in enhancing the students' personality, general awareness, grooming and communication skills in English, Life skills and knowledge of computer applications. The life skills component of the training module completely transforms the students into confident, determined, goal-oriented youth; a personality shift essential for them to pursue successful careers in the sectors of their choice.

In a bid to consistently improve and reach out to a larger audience Naandi Foundation now strives to forge new tie-ups with Universities, Colleges, ITI's and other institutions as part of our Off-Campus project. In 2016-17 we have completed employability skills training for almost 69,092 students in 9 states across 1650 classrooms.

We would like to implement our training in your institution based on the following terms and conditions: -

- a.) We intend to train the students enrolled in your institute, who are interested in taking up jobs as per the list to be communicated by you.
- b.) This will be a 40 hour or 36-hour or 30 hour program and will run for 20 or 18 or 15 days . Please prepare a detailed schedule to enable us to book the trainers.
- c.) You will assign a coordinator for this project who will engage with the coordinator of Naandi.
- d.) You will have to share the student and placement data with us to quantify impact and we will be happy to introduce you to new employers.

Commercials:

Naandi Foundation shall conduct the training and placement assistance entirely free of charge as part of CSR from the Mahindra & Mahindra Group through their Mahindra Pride Schools & Classrooms.

The institute will provide the premises, computer labs, electricity, LCD projectors, stationery, printed work sheets and other standard infrastructure.

We sincerely hope that this program will go a long way in contributing to the skilling target of India and we look forward to an early response and a long association with you.
