On**

**“Medicinal and Aromatic plants of Melghat Forest,  
for students: A start up”**

**Dear all,  
Greetings of the day!**

Department of Botany, Arts, Science And Commerce College, Chikhaldara, is going to organize one day university level online workshop on **“Medicinal and Aromatic plants of Melghat Forest for students : A start up”** for all Students, Teachers and Researchers of all affiliated colleges to Sant Gadge Baba Amravati University, Amravati. You are cordially requested to register your name & join for the same on ZOOM online and  live on **04<sup>th</sup> August, 2021 at 11.00 am.**

**About the College**

Sipna Shikshan Prasarak Mandal, Amravati is established with the specific goals and mission of overall development of the people in Melghat, a tribal, remote and backward region in Amravati district of Maharashtra state. Melghat comprising of two tehsil places (Chikhaldara and Dharni) is hilly terrain at the northern extreme of the Amravati district of Maharashtra. Melghat means 'meeting of the ghats', which describes the area as a large tract of unending hills and ravines scarred by jagged cliffs and steep climbs. It is renowned for 'Melghat Tiger Project' and 'Gugamal National Park' worldwide. Presently, the total area of the reserve is around 1677 km<sup>2</sup>. The forest is tropical dry deciduous in nature, dominated by teak (Tectonagrandis). Chikhaldara is a Hill Station and a municipal council in Melghat. Chikhaldara is the sole hill resort in the region assumed to be the 'Nandanvan' of Vidharbha, is situated at an altitude of 1118 m with highest Vairat point 1188 m and has the added dimension of being the only coffee-growing area in Maharashtra. The place has a rich variety of flora and fauna with the nature's beautiful architecture spread all over the region. Arts, Science and Commerce College, Chikhadara, Distt. Amravati came into existence in 1996 with an intention to impart higher education to the tribal at their very door step and ensure their well being, growth and safety. The college offers degree courses like B. A., B. Sc., B. Com with traditional and advanced subjects and M. Sc. (Environmental Science). Whereas in UG science stream there are innovative subjects like Petrochemical Science, Food Science, Apiculture, Industrial Chemistry and Environmental science. The college runs recognized research centers for the subjects Physics, Botany, Mathematics, Chemistry, Environmental Science, Marathi, Hindi, English, Political Science and Sociology. Department of botany performs the activity like tree counting project of Nagar Parishad, Chikhaldara. And successfully completed the UGC scheme like NET, SET scheme for students, also conducted certificate course in Ethno botany from last 5 years. Department has well maintained botanical garden having ethno medicinal and aromatic plants and which are conserve properly.

## About Workshop

One Day University Level Online Workshop on “**Medicinal and Aromatic plants of Melghat Forest, for students : A start up**” is being organized by Department of Botany specially for all the teachers and students and researchers to create awareness about medicinal & aromatic plants in forest and importance of forest in daily life. This program will be beneficial for teachers, researchers and students of the affiliated colleges to Sant Gadge Baba Amravati University, Amravati.
