Coordination committee report 20-21

According to various government guidelines and orders Covid 19 SOP was abided by by college. IQAC and principal continuously guided and monitored the whole procedure of teaching, learning and evaluation. IQAC action plan, College Activity plan were followed accordingly. Coordination committee worked as a mediator and facilitator between IQAC, Principal, CDC and all teaching faculties.

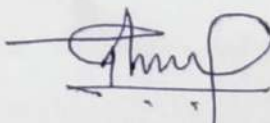

The teaching, learning and evaluation process was carried out the online way. University notifications, office orders of this college were taken into account while carrying out this whole procedure. All teaching faculties took their classes online using various methods. Study material was also disseminated same way.

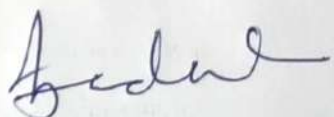

Evaluation happened thru various online platforms. Internal and university examination were taken. A number of programs, activities were organized . students were intimated about and facilitated for all these programs.

Their problems were addressed, grievances were redressed via same online mode. Even revision sessions were organized. Students were motivated not only to attend the classes but also to take active part in all activities.

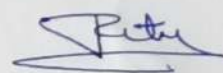

They were also guided to submit university examination form, scholarship form, etc. All the faculties have submitted regular report of online teaching of their respective subjects.
