Name of the Activity: A lecture on "Research Methodologies in Physical Sciences"

Date: 28-06-2022

Venue: Online using ZOOM Conference App

Objectives:

- To fulfill objectives of MoU
- To interact formally with the research scholars of MoU partners
- To interact and seek the knowledge from the in house expertise
- To resolve queries of research scholars

Brief Report:

Introduction:

As per the MoU signed between the two parties for academic and research activities. The two parties are Department of Physics, Arts, Commerce & Science College, Chikhaldara, Dist: Amravati and the Department of Physics, Smt. Narsamma Arts, Science & Commerce College, Kiran Nagar, Amravati.

Under this MoU, a lecture was organized. As stated, one of the activities is "Interactive Sessions for Researchers & the Scholars"

To start with, Dr. V. D. Kapse has given detailed information regarding the very purpose of MoU and the objectives of MoU.

Dr. V. D. Kapse briefed the activities planned and also gave information about tentative schedule of the program.

Principal Dr. R. S. Chandanpath was a Chief Guest.

He gave wishes to the research scholars and appreciated the platform made available for the researchers under both the Institutions.

He also suggested to take the benefit of such platforms for work to build the nation.

He said that patents is the ultimate output of the research by which nation is recognized across the globe.

Principal Dr. Jagdish Saboo, Shankarlal Khandelwal Arts & Science College, Akola inaugurated the programme with valuable guidance to students.

Dr. A. U. Bajpeyee was the speaker.

Since the title of the activity is "Research Methodologies in Physical Sciences"

With due worth he explained all the fundamental steps in research in Physical Sciences in very simple language. He suggested good approaches in research.

He focused on the steps in research rather than the title of the project / article / thesis title.

Principal Dr. R. S. Jaipurkar chaired the program.

Dr. Jaipurkar gave the information about the Research Centers at the College. He announced open college platform for young researchers. He declared every possible help to the research scholars.

Dr. V. D. Kapse announced open discussion and query solving session in which after the interaction, queries have been resolved.

Dr. S. K. Devade, at the end, thanked all the participants, Chairman of the program, Chief Guest with special thanks to Prof. Sawarkar, who handled the technical aspects.

About 20 students registered for this workshop and completed the training successfully.

OUTPUT OF THE WORKSHOP:

- It was a good interactive workshop
- Students came to know the opportunities and prospects of learning the bamboo craft making
- They came to know about the demand of such crafts in the market
- They learn to use various instruments required for the craft making, and manufactured various beautiful crafts
- Students got the satisfaction and happiness of making something new
- Many students said that they will use this knowledge and will make use for the self employment

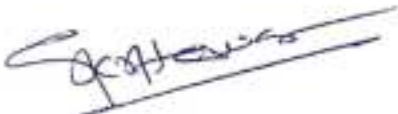

NEED OF SUCH TYPES OF WORKSHOPS

As we run the college in hilly and tribal area, pursuing a degree is not enough. Maximum students are from very poor economical background. Many students leave their education in middle due to economic problems.

Entrepreneurship Development Cell is working in the field of self employment. Such types of workshop can provide an opportunity to the student for their better future. ED cell is planning for the commercial production of these types of lamps. We will provide all the facilities and kits to the students and they will manufacture the lamps. These lamps will be purchased by the cell and will be sold through its outlets.

This will provide some financial help to the students and they can earn while learn.

Dear Students,

Nanotechnology is a field of research and innovation concerned with building 'things' - generally, materials and devices - on the scale of atoms and molecules. For students to stand out as promising assets to Research and Innovation they need to get knowledge about nanotechnology. So, Department of Physics, Shankarlal Khandelwal College, Akola is organizing an Online Guest Lecture on "Introduction to Nanotechnology" for the Students.
