About 272 students registered for this workshop and completed the training successfully.

## **OUTPUT OF THE WORKSHOP:**

- It was a good interactive workshop
- Students came to know the opportunities and prospects of learning the bamboo craft making
- They came to know about the demand of such crafts in the market
- They learn to use various instruments required for the craft making, and manufactured various beautiful crafts
- Students got the satisfaction and happiness of making something new
- Many students said that they will use this knowledge and will make use for the self employment.

## NEED OF SUCH TYPES OF WORKSHOPS

A lots of students face a economical problem , pursuing a degree is not enough. Maximum students are from very poor economical background. Many students leave their education in middle due to economic problems.

Entrepreneurship Development Cell is working in the field of self employment. Such types of workshop can provide an opportunity to the student for their better future. ED cell is planning for the commercial production of these types of bamboo articals product . We will provide all the facilities and kits to the students and they will manufacture the bamboo articals product. These bamboo articals product will be purchased by the cell and will be sold through its outlets.

This will provide some financial help to the students and they can earn while learn.
