About IQAC, Arts, Science & Commerce College, Chikhaldara.

The college in Chikhaldara, has been serving the higher education sector for 26 years. Throughout this journey, we have been assessed and accredited four times by NAAC (National Assessment and Accreditation Council). In our recent assessment, we achieved a commendable A grade with CGPA 3.22. The IQAC established in 2004 could perform in ascending order starting with Grade B and finally reaching A Grade. Situated in a socially, educationally, and economically challenging region, we have overcome numerous obstacles to reach this milestone. Our success is a testament to exceptional collaborative efforts and collective teamwork. By addressing critical gaps and implementing strategic improvements, we have made significant progress in multiple domains. As we prepare for future challenges and aspire to reach greater heights, our Internal Quality Assurance Cell (IQAC) is organizing this workshop to further enhance our institutional capabilities. Our commitment remains steadfast to continuous improvement and delivering quality education in this underserved area.

A one-day university-level workshop on How to Strengthen IQAC

Topic

- 1. Implementing quality assurance measures, best practices and strategies
- 2. Enhancing institutional performance in accordance with NAAC reforms 2024

Objectives:

- 1. Understanding New Binary Reforms: Provide participants with an in-depth understanding of the new binary reforms introduced by NAAC in 2024.
- 2. Role and Importance of IQAC: Reinforce the significance of IQAC as a pivotal mechanism for ensuring quality enhancement and sustenance in higher education institutions.
- 3. Capacity Building: Enhance the knowledge and skills of IQAC coordinators, members, and stakeholders in effectively implementing and managing quality assurance processes and practices in accordance with the new binary reforms.
- 4. Alignment with Binary Reforms: Explore ways to align existing IQAC frameworks, policies, and practices with the requirements and criteria outlined in the new binary reforms mandated by NAAC, fostering institutional readiness for accreditation.

- 5. Quality Metrics and Indicators: Identify and discuss key quality metrics, indicators, and performance parameters specified in the binary reforms, and provide guidance on how IQACs can systematically monitor,evaluate, and improve institutional quality.
- 6. Quality Culture and Institutional Leadership: Cultivate a culture of quality and continuous improvement within higher education institutions by promoting leadership commitment, shared responsibility, and accountability for quality assurance at all levels of the organization.

Expected Outcomes

- 1. Enhanced understanding: Participants gain a deeper understanding of the new binary reforms introduced by NAAC, including the criteria, processes, and implications for accreditation.
- 2. Skill development: Attendees acquire practical skills and strategies to strengthen their college's IQAC, enabling them to effectively implement the new reforms and meet accreditation standards.
- 3. Collaboration: The workshop fosters collaboration among participants, providing a platform for sharing best practices, challenges, and solutions related to IQAC and accreditation.
- 4. Action plan development: Participants develop actionable plans tailored to their college's specific needs and context, outlining steps to improve IQAC effectiveness and align with NAAC requirements
- 5. Awareness and compliance: Increased awareness of the importance of IQAC and accreditation standards, leading to improved compliance with regulatory requirements and quality enhancement initiatives.
- 6. Institutional improvement: Ultimately, the workshop contributes to the overall improvement of the institution's quality assurance mechanisms, enhancing its reputation, competitiveness, and ability to provide high-quality education and services.
