

Sipna Shikshan Prasarak Mandal, Amravati
Arts, Science and Commerce College, Chikhaldara
Annual Report
(2021-2022)

- The number of students admitted for UG & PG programs are 575. Moreover, 21 students are pursuing their research work at various research centers of the college.
- The curriculum prescribed and designed by affiliating university is followed. College prepares the academic & activity calendar and time table. Teaching plan is prepared by departments. ICT tools enable the students to learn the subject content from a multidimensional perspective. Induction program and bridge courses are conducted for freshers. Guest lectures, expert talks and workshops are arranged for effective learning process. Faculty coordinators took review of the TLE process. The compliance of the curriculum is communicated to the Principal through the HODs and performance of the students is verified by examination and feedback. Assignments, seminars and projects are assigned to the students. Mentor-Mentee Scheme works for identifying and addressing various problems of the students. Effective curriculum delivery is accomplished through academic audit. Considering pandemic situation, optimum curriculum delivery was achieved through various e-platforms like Google classroom, video conferencing apps, Whatsapp, YouTube, Google forms, etc.
- Certificate Course in Computerized Accounting & Tally Package, Gender Equality for Sustainable Future, Introduction to Hospitality and Hotel Management, Leadership and political participation in local self government were arranged. Value added/Add-on Courses on Making of bamboo Craft and Soft Skills were organized. Awareness programme with the reference to COVID-19 vaccination was arranged. Celebration of various days, awareness program about conservation, propagation and start up of local ornamental /medicinal plants were arranged. Arranged workshops on skill development, safety, and prevention of sexual harassment and cyber security for women. Arranged webinars to address environment issues.
- 09 teachers are working as members of Board of Studies (BOS), 01 teacher as an Adhoc-Chairman of BOS (Hindi) and 01 teacher as a Member of FACULTY (Science) of affiliating University. Designed curricula for skill enhancement add on/value added and certificate courses.
- The scheme of examination prescribed by the affiliating university to conduct the theory and practical examinations is followed. Semester examinations are carried out

by the university. The college examination committee conducts and monitors internal examinations according to academic calendar. The academic calendar is well planned and based on the university calendar and provided to the students through e-mail and whatsapp groups. CIE includes tests, assignments, question-answer sessions, group discussions, quizzes and seminars. Efforts are made to make students aware of the continuous internal evaluation mechanism which includes academic calendar, examination system, nature of question papers and marking scheme. University has prescribed internal tests, assignments, seminars, group discussion, project work, industrial visits, study tours, field visits, etc. for continuous internal evaluation. All the activities related to continuous internal evaluation are conducted as per the given schedule.
