Badnera Junction is well connected to major cities like Mumbai, Pune, Nagpur, New Delhi, Hyderabad, vijaywada, Chennai, Bhusawal etc. By Road, Amravati is 100 km and Nagpur is 230 km from where regular bus services are available to Chikhaldara.

About Research Club :-

The Research Club of the college is dedicated to fostering a strong research culture and upholding research ethics among faculty members and students. it emphasizes quality, precision, and integrity in all research endeavors. Through various programs and activities opportunities across diverse fields, inspiring academic excellence and innovation.

-: ABOUT THE PROGRAM :-

Workshop on Research Methodology: Organizing a research methodology workshop at college benefits teachers by providing them with the tools they need to do successful research. It offers a platform for comprehending different approaches, strategies, and resources relevant to scholarly investigation, promoting a climate of exacting and ethical research procedures.

Objectives:

- Cultivate research acumen through comprehensive understanding of methodologies.
- Enhance practical skills in research design, data collection, and analysis.
- Foster ethical awareness and responsible conduct in research endeavours.

Expected Outcomes

- Improved ability to select and apply appropriate research methods.
- Increased proficiency in conducting and interpreting research studies.
- Establishment of a culture of integrity and ethical practice within the academic community.

Mode of Course :- Offline
