ABOUT SOCIETY :-

Sipna Shikshan Prasarak Mandal, Amravati was established in 1995 and registered under the Society Registration Act 1860 and Bombay public Trust Act, 1950. The society established Arts, Science and Commerce college at Chikhaldara in 1996 in melghat for tribal and other inhabitants of this remote, hilly, rural and backward area. Later on in 1999 society established College of Engineering and Technology and in 2021 Sipna School of Planning and Architecture at Amravati. SSPM is established with specific goals and mission for overall development of people in Melghat, a tribal, remote and backward region in Amravati district and renowned for '**Melghat Tiger Project**' and **Gugamal National Park**' worldwide. Chikhaldara is a hill station situated at an altitude of 1118 meter.

ABOUT COLLEGE :-

Arts, Science and Commerce College, Chikhaldara, Distt. Amravati came into existence in 1996. The college is permanently affiliated to Sant Gadge Baba Amravati University and is included under section 2(f) and 12(B) of the UGC Act 1956. The college offers B.A., B.Sc., and B.Com. programmes and M.Sc. (Environmental Science) with traditional & advanced subjects. The college runs recognized 11 research centers. Out of 33 permanent faculty, 26 are Ph.D. holders. 11 faculty members are on the Board of Studies of the University. In 2023, NAAC has reaccredited our college with 'A' grade in its 4th cycle with CGPA 3.22. Class rooms and well-equipped laboratories with ICT facilities are available. Library is fully automated and has developed E-Library Portal. College has adopted e-governance. College has women's hostel, ethnobotanical garden, rainwater harvesting tank, weather observatory and multi-Gym with changing room. College campus is enabled with high bandwidth internet facility, Wi-Fi, and CCTV camera surveillance and standby power supply. College has indoor and outdoor sports facilities.

ABOUT CHIKHALDARA :-

Chikhaldara is a hill station located in the Amravati district of Maharashtra, India. It is situated at an altitude of 1188 meters (3900 feet) above sea level and nestled in the Satpura ranges. The region experiences a cool and pleasant climate throughout the year, with temperature ranging from 10°C to 30°C. The best time to visit this place is from October to June. The spots to visit are Panchbol point, Bhimkund, Devi point, Gavilgad Fort etc.

How to reach Chikhaldara :-

You can reach Chikhaldara from Badnera railway station which is 105 km. away from Chikhaldara by road and from Amravati 84 km. by road. The bus is available directly from Amravati bus stand or from Amravati to Paratwada and Paratwada to Chikhaldara regularly.

OUTCOMES :-

- Education System : Pedagogy workshops contribute to the improvement of the education system as a whole by fostering continuous professional development among teachers. This can lead to higher standards of teaching improved student achievement, and overall positive outcomes for the education system.
- Community and Society : Ultimately, the broader community and society benefit from the outcomes of Pedagogy workshops as it helps in producing well-educated and skilled individuals who can contribute positively to society and the economy. In Summary . Pedagogy workshop will benefit teachers by enhancing their teaching skills and the outcomes are improve student learning, better teaching practices, and a positive impact on institution, the education system, and society as a whole.

OBJECTIVES :-

- The objectives of Pedagogical Workshop are to help educators develop their skills and understanding of teaching and learning.
- Pedagogical workshops can help educators learn how to create a better learning environment and encourage collaboration and use effective teaching strategies.
